

DD-AR Papercraft
By Tim1995.
Part 1/2

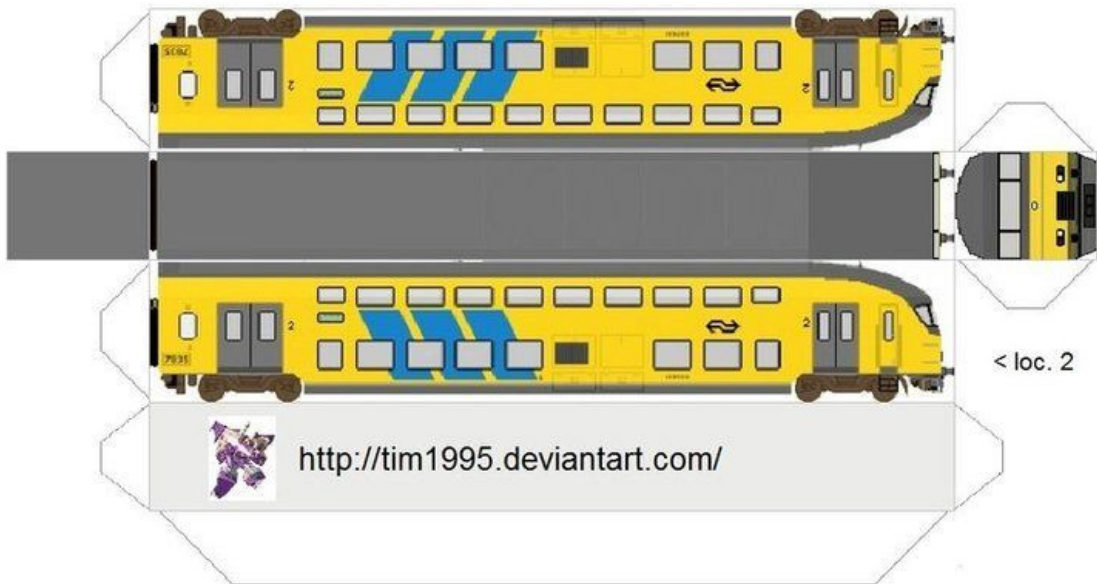

How it should look:

< Glue over the  on the train so that it sticks out of the top of the train.

^ loc. 1

< loc. 2

This is the order of carts on the train:
loc. 1 - cart 1 and 2 - loc. 2
(you can print more carts to make your train longer)
