Zoo Keeper Papercraft

Ok, here's a simple reward challenge from designer Odin.

This was tipped off by reader Lee Phan, I haven't personally verified it but I'm sure Lee can be trusted? ^^

Here's what you need to do in order to get the [Zoo Keeper](#) papercrafts - this btw is based on a Flash-based game by kiteretsu.jp

1. You'll need to e-mail the designer at (odinl@yahoo.com.tw) and request the pattern/template, make sure to put "Zoo Keeper" in the heading.
2. You'll need to assemble all of the papercraft animals (top pic), take a photo and send it to the designer. In return he'll send you two other models - Zoo Keeper?
