

1. Cut the whole page and glue it into a cardboard, then cut the Bubwits and the house at the solid blue lines.

2. Fold in the broken lines.
3. Pay attention to the doors and windows, as these are much difficult to cut, ask the help of a parent if needed.
4. Paste all the tabs according to instruction.
5. Do not forget to fold the roof and glue to the house.

6. Fold at the broken lines. glue the tabs. Make sure the bubwits can stand.

All set! you can now play!
